YWCA Banff invites you to partner with us for the 10th anniversary of the VINEart Gala & Auction on March 15th, 2025, at the Fairmont Banff Springs. One of the most anticipated events in the community, tables are already being reserved after last year's sold-out event.

From Lake Louise to Mîni Thnî, we care about and are deeply embedded in this community. As local needs shift, we adapt to achieve our mission of shaping a safe and inclusive Bow Valley that empowers women and their community for a better future. But we can't do it alone—we need your partnership to turn this vision into reality.

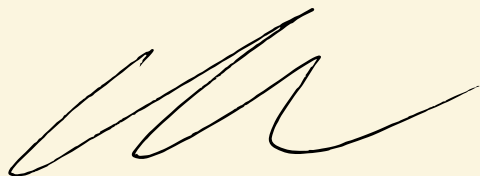

Since the inception of VINEart Gala & Auction 10 years ago, YWCA Banff has provided over 15,000 safe bed nights to people experiencing sexual or domestic violence, housing insecurity, or both. Over the past 10 years our programs have expanded to meet the growing needs of our community. Last year alone YWCA Banff provided 2,966 safe bed nights, a significant increase from the 588 bed nights we provided in 2015. This critical work is only made possible thanks to the generous support of community members, businesses, and funders like you. With your help, we are making real change in the Bow Valley, one night at a time.

The exclusive VINEart Gala & Auction brings together 220 guests from Banff, Canmore, Calgary, and beyond. Attendees include business owners, long-term locals, and part-time residents of the Bow Valley. As our largest fundraiser, VINEart generates critical funds to sustain our core programs while building our capacity to expand and adapt to the needs of people in the Bow Valley.

For 10 years, we have been partnering with visionaries like you to create meaningful change. This milestone year presents a unique opportunity to celebrate our achievements and enhance your brand's impact while supporting this important cause. **Our goal this year is to raise \$200,000 to bring the 10-year total raised at VINEart to \$1 Million!** Funds raised will support YWCA Banff's residential programs including emergency shelter, transitional housing, affordable housing, and counselling services. A portion of funds will support our Higher Ground Project, YWCA Banff's plan to build a new facility in Canmore to increase our capacity to deliver critical services to our community. With your support, we can create a thriving, equitable future for everyone in the Bow Valley.

We are all part of the fabric of this community. When a former client sends a handwritten thank you card, when someone unhoused finds a long-term place to call home in the community, when a young person stands up to bullying, or when a survivor of violence can begin to heal, the impact reverberates throughout the Bow Valley.

Our work is made possible by the generosity of people like you. Whether you are a longstanding partner, or are considering partnering with us for the first time, we invite you to celebrate with us as we honour the past 10 years of progress and join us in our vision for a thriving, equitable future.
