About the Awards

Each year, YWCA Banff presents the Change Makers Awards to outstanding women and gender diverse people from the Bow Valley who have made a lasting difference in the lives of people in the Bow Valley and beyond. Any woman (transgender or cisgender) or gender diverse person who meets the award category criteria is eligible for nomination.

YWCA Banff is proud to host these awards, recognizing local individuals who through their own initiative, ability, and effort have demonstrated positive change in the community in alignment with YWCA Banff's core values.

Within this nomination packet, you will find key details about the nomination and selection criteria, as well as the overall selection process. A Change Makers nomination form is also included. Please review the information carefully to ensure your nominee meets the qualifications. If you have any questions, feel free to reach out – our contact information is provided at the end of the nomination form.

Thank you for taking the time to recognize and nominate an individual in the Bow Valley who embodies the spirit and impact of a true Change Maker. Your effort helps shine a light on those making a meaningful difference in our community.
