Golf Tournament

Stewart Creek Golf Course

**Supporting YWCA's Canmore Build —
Shelter, Housing, Counselling.**

THE LEGACY OF JAMIE PERKINS.

About the Event.

THURSDAY
July 24th, 2025

This year's Charity Classic takes place on Thursday July 24th at Stewart Creek Golf & Country Club.

The event brings together approximately 100 avid golfers from Canmore, Banff, our regional markets and beyond to raise money for our Higher Ground Project.

Proceeds will benefit YWCA Banff's Higher Ground Project, our plan to expand our services in the Bow Valley by bringing a new, purpose-built facility to Canmore. Higher Ground will leverage the unique expertise of YWCA Banff and other local agencies to provide a range of services that support people in our community, including women and families, to build their own thriving futures, free from violence.

Over the past four years, YWCA Banff's crisis calls increased by 218%. With the generous support of donors and funders, last fiscal year we provided nearly 3,000 safe nights to clients accessing emergency sheltering programs, and responded to 914 crisis calls. The Higher Ground Project will expand YWCA Banff's capacity to deliver critical services across the Bow Valley including services for those

experiencing domestic and sexual violence or housing insecurity.

We are all part of the fabric of this community. When a former client sends a handwritten thank you card, when someone who is unhoused finds a long-term place to live in the community, when a young person stands up for someone who is being bullied, or when a survivor of violence can begin to heal, the impact reverberates throughout the Bow Valley.

We hope you will join us in supporting this important community initiative.

VENUE

Stewart Creek

Designed by renowned golf architect Gary Browning, the 18 holes at Stewart Creek has been sculpted into the magnificent Rocky Mountain landscape. Layered fairways and subtly sloped greens, with landing areas defined by pristine forest, mountain streams, lakes and rocky outcrops; while all around breathtaking vistas, brilliant blue skies fragrant with the scent of fresh pine complete the picture postcard setting. Here, golf is more than simple sport, it is a celebration of the senses.

Leaving a Legacy.

In 2015, Jamie and four friends started an annual event to raise funds for YWCA Banff. Following his untimely passing in 2019, Jamie's teammates carried on his meaningful legacy with Jamie Perkins Memorial Golf Tournament.

This year, our organization is expanding the event to invite more community members to participate in the **YWCA Banff Charity Classic** golf tournament.

CLIENT TESTIMONIAL

Thankfully, the Y became my guiding light. They provided me with a safe shelter, offering unwavering support that played a crucial role in rebuilding my life. Because of their support I was able to continue pursuing my passions.
